While service involves real work and your time, it is also tremendously important and rewarding. As a member of a Committee, Commission, or Board, you will have a chance to influence public policy through your recommendations to the Town Council and gain a better understanding of the issues facing the Saltville community. You will have a chance to interact with other citizens and stakeholders on meaningful issues, participate and gain new insights into the policy making process, and give back to the community by using your time and talent to make Saltville a better place. Members will be appointed for a period of (2) years.

No person shall be appointed or reappointed by the Town Council to any Committee, Commission, or Board until there is first submitted and filed with the Mayor an application form. Applications must be filed with the Mayor not less than (5) days prior to the date that the appointment will be considered by the Town Council. Anyone appointed to a Committee, Commission, or Board who misses 3 meetings in a row or 4 regularly scheduled meetings in a year will be deemed to have rendered an implied resignation of that appointment. The Chairperson shall notify the Mayor of these absences. The Mayor shall report these findings to Town Council. Appointment by Town Council of another person to fill said appointment shall constitute an acceptance of such implied resignation.

Up to two (2) members of each of the six **Committees** may reside outside of the Town of Saltville limits, but still in the Smyth County or Washington County areas, but with a Saltville address.

No employee of the Town of Saltville can be appointed to a Committee, Commission, or Board.
